DEDICATION

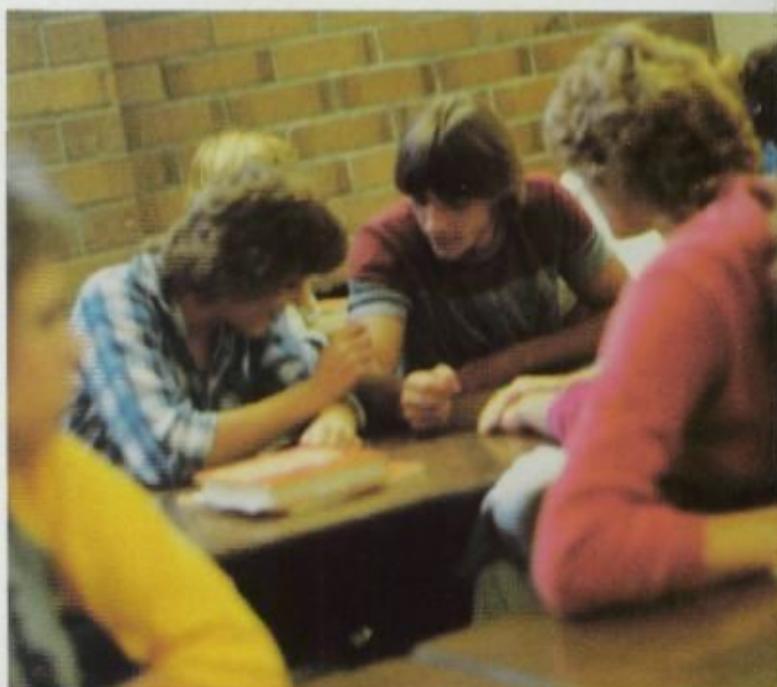

From 1961-1982 Mrs. Virginia Lindblad has given devoted service as a teacher at Windsor High School. The leadership and vision she has provided as English department chairperson helped develop the distinctive language arts program currently used at W.H.S. Her expert guidance was visible in many yearbooks through the years. Journalism classes under her guidance stepped into a new era of production, creating more modern and meaningful school papers. Mostly though, Mrs. Lindblad has been known by students and faculty alike as a hard-working, conscientious, English teacher whose wealth of knowledge was tempered by the warmth of her personality. By dedicating the 1982 WIZARD to Mrs. Lindblad we recognize her excellent contributions to education and show our appreciation to her for those years of service.

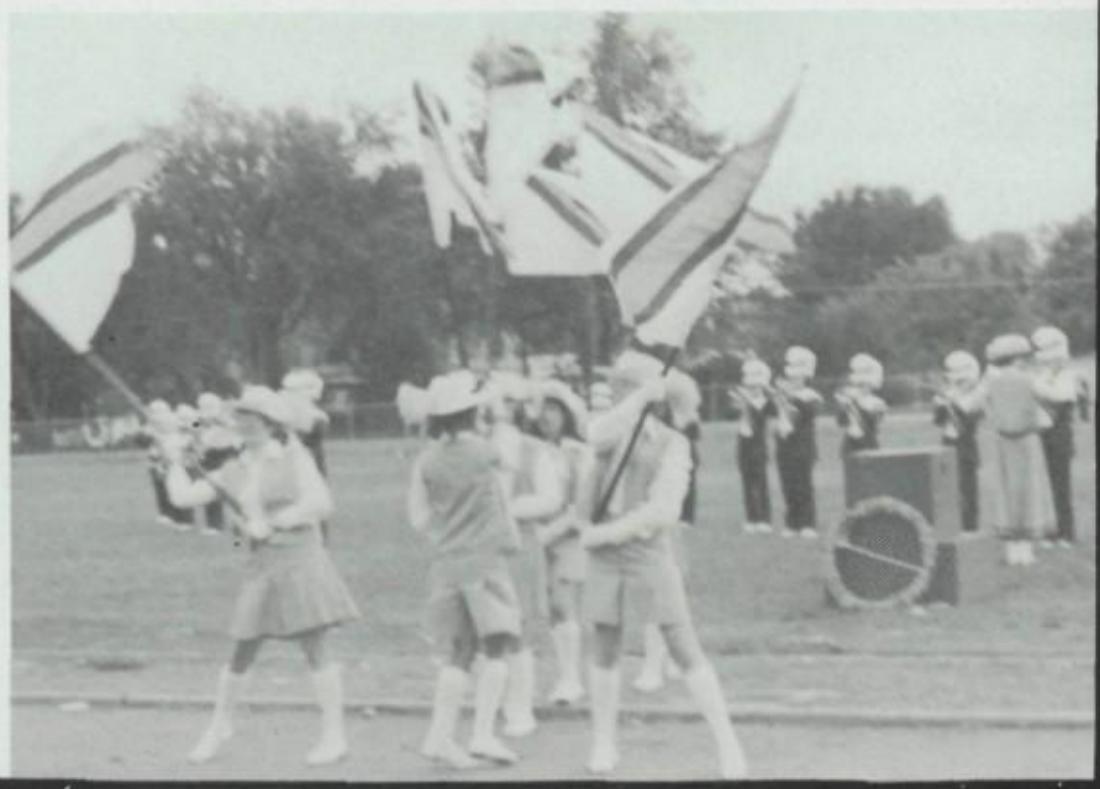

CAMPUS LIFE 1982

School spirit was back in all its glory at Windsor High School as the underclassmen carried the banner of their predecessors proudly. Besides viewing the school as an institution of learning, they began to know it as a place to grow and discover more about life in general. But most of all, as a result of classroom associations, being together in the halls, and even off campus, the underclassmen felt the renewed spirit that one knows only when evolving as a Wizard.

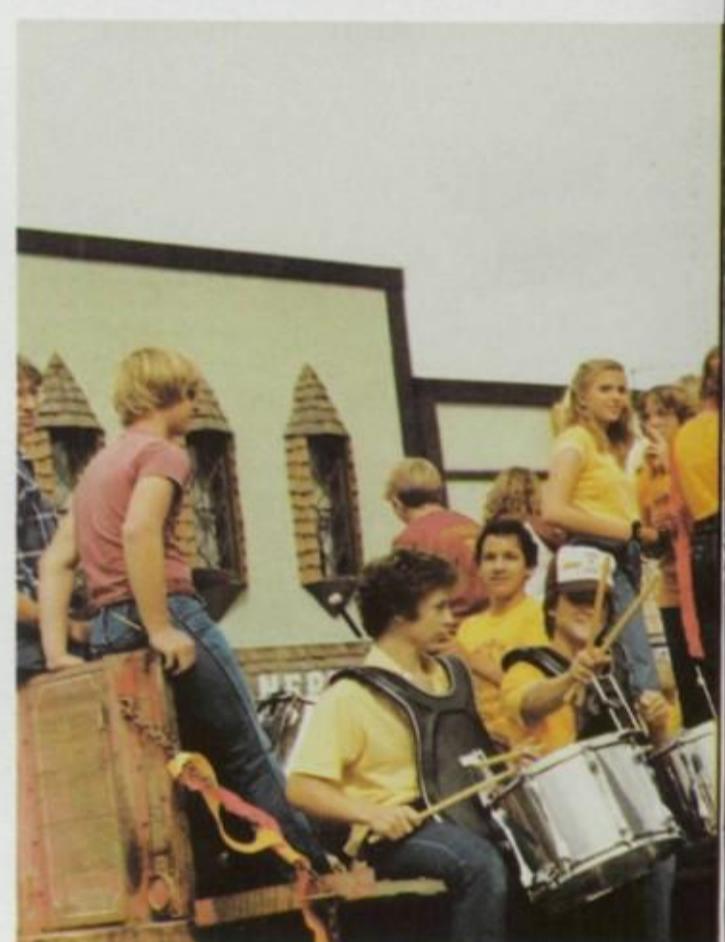

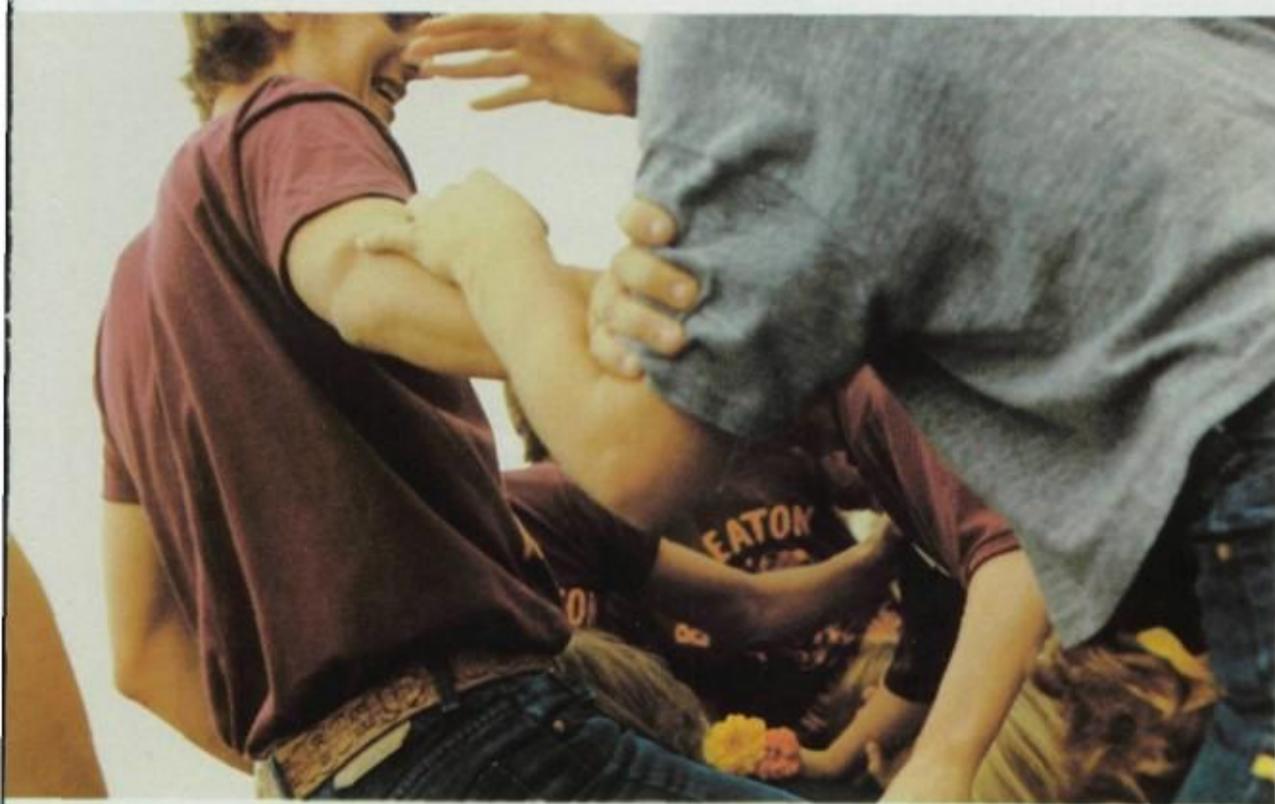

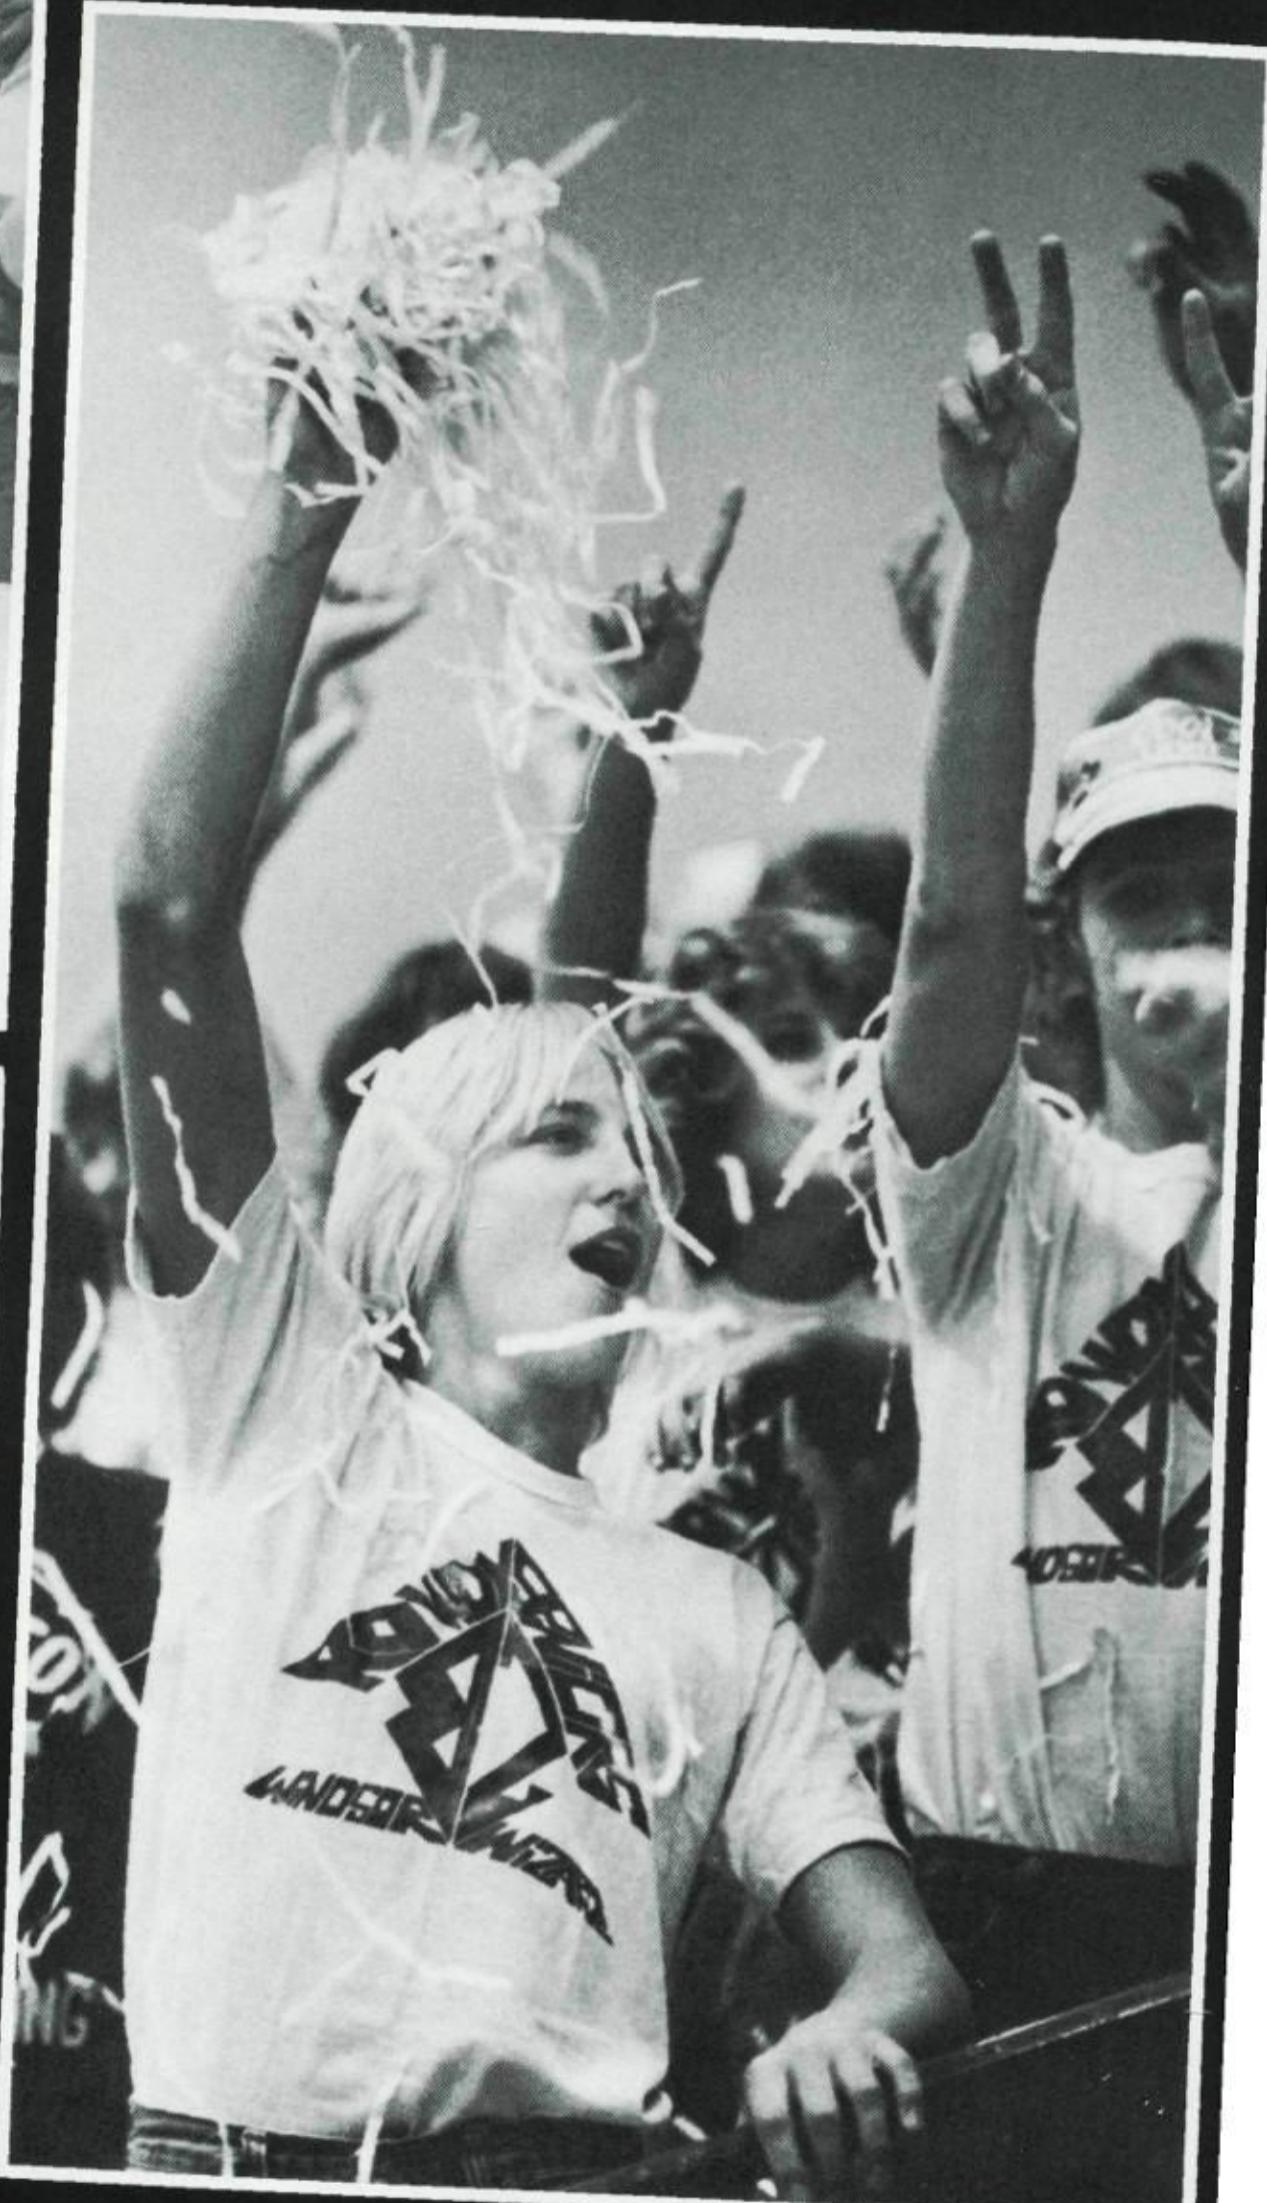

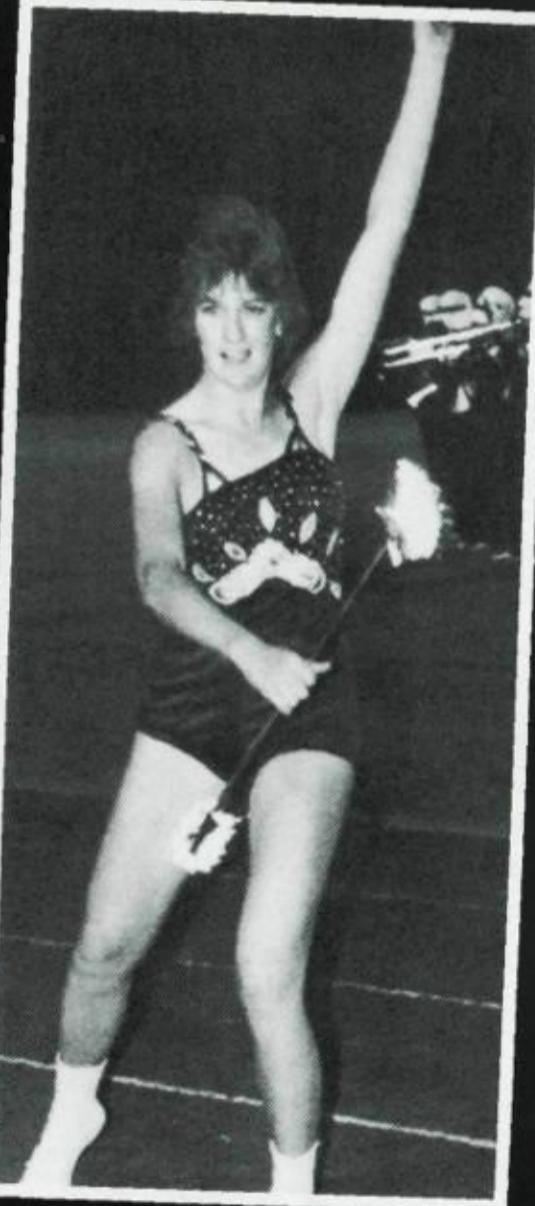

WIZARDS
OF
AWES

The 1981 homecoming theme rang true to its name. At the beginning of homecoming week there was a special feeling in the air. Spirit week started the momentum and besides having a lot of fun during the pagentry of decorating the halls and crazy dress up days there was a serious purpose. By gametime on Friday, the Eaton Reds were about to find out the terrible truth behind the homecoming slogan "The Wizards of Awes." In a tight defensive game, the Wizards broke loose for a 12-10 win. Little did anyone know that this spirit would carry through to an eventual state football title. Saturday night as the dance was held in the commons, Mike Scheid and Mary Brown reigned as the homecoming king and queen. It was a fitting end to a special week.

For the Windsor class of 1982 the 12-year-school term of accomplishment and mania is over! Even so, while seniors were hanging between things past and things to come, they made the most of it their last year. It was one that won't soon be forgotten.

UNDERCLASSMEN

JUNIORS

The class of '83 had a spectacular year. Their superb float came in first in the Homecoming parade; it was so magnificent it left viewers gaping in awe. And their own Rhonda Roth and Christine Scherbyn were named Junior Homecoming Attendant and Runner-up, respectively. The juniors gave the seniors a splendid prom that will stay fresh in the memory of all for a long time to come. Mrs. Werner, a sponsor, said of the juniors, "I enjoy working with these outstanding students in outside activities, and I get satisfaction from helping others." Their other sponsor, Mr. Adamson, said, "I like seeing such marvelous students in other than teaching situations." The class with class has had a great time this year and is looking forward to being The Super-Sensational Seniors next year.

SOPHOMORES

The sophomore class of 1984 was very active in the past year. They participated in sports, cheerleading, and just bumming around. The class as a group were involved in many activities such as, the annual magazine fund raiser for the Junior — Senior Prom. The class made \$1,846.44.

Sophomores were proud of themselves during homecoming. They took 2nd overall in the activities. One activity was the competition between the classes on the float; they took 2nd. The hall was another part of competition, the sophomores again took 2nd. The final part of competition was the spirit. This included cheering at the pep assemblies during school, at the parade, and getting ROWDY! They again took 2nd.

The sophomore class officers were elected in September of 1981. The choices made were: Wes Martin, President; Camille Gersic, Vice President; Paula Sexton, Secretary; and Allyson Claus, Treasurer. Representatives for homerooms were Pam Anderson, Kim Baldwin, Rhonda Felte, Wes Martin, Kelly McCoy, Wendi McGinn, and Kelly Riggs.

FACULTY

The 1981-82 staff of Windsor High School, has contributed to helping activities and organizations as well as teaching. They are very dedicated to each one of their jobs as principals, secretaries, counselors, coaches, and teachers. The Windsor staff has worked hard, with new techniques and more enthusiasm this year.

The staff works toward two main goals, to give students at W.H.S. the best education possible, and get everyone involved in some main event.

We are glad they stand behind us at Windsor High 100%. We couldn't do it without them.

The 1981 football season was capped with the ultimate ending, as the Wizards, with Coach Burke at the helm, brought the Class AA Championship trophy home to Windsor for the first time in the history of the school. Unranked throughout the season, the Wizards suffered a tough setback to arch-rival Valley in the opener. This kindled a desire in the Windsor team that led to twelve straight wins. After destroying the Valley team in a return meeting, the Wizards began eliminating other ranked teams including Denver Christian, Olathe, Woodland Park, and eventually Brush in the title game.

The highlights of these games that appeared in area newspapers read like a storybook; and as in every fairytale, the 1981 football season had a miracle finish. The thousands of fans who swarmed inside of Dudley Field watched as Brush and Windsor engaged in a war of attrition that was decided on the final play of the season. With seconds left on the clock, Brush had scored, bringing them within one point at 14-13. Surprisingly, Brush elected to go for the two point conversion and the win. After a delay of game penalty was assessed, the Brush receiver, Rich Gutierrez, caught a pass on the one yard line and was on his

way to the end zone when Windsor safety Tom Lujan knocked him down at the 1 inch line, preserving the win and the state championship. Partisan fans poured out onto the field to get a look at the championship trophy.

Throughout the season Windsor was led by quarterback-safety Mike Hergenreder, who was awarded AA player of the year by Colorado Sidelines. Junior Paul Shellinga employed a slashing style of running to gain 1,159 yards and senior Travis Dopler complimented him in the backfield with blocking and power running of his own. A senior nucleus anchored the line, led by center Tony Benson, tackle Mike Scheid, guard Boyce Bennett and tackle Wally Hall. Junior Mike Driver was a mainstay on the line. Seniors Fide Melendez and Lujan were valuable reserve halfbacks. Senior Scott Skeen returned to top form and made numerous clutch catches at his split end spot. Tight end Rick Smith might have been the best all-around player the Wizards had. Defensive specialist Mike Muttel was known throughout the Welco for his intense hitting. All State players were: Hergenreder, Skeen, Benson, Smith, M. Scheid, and B. Bennett.

VOLLEYBALL

GIRLS ARE CONSISTENT

The 1981-82 Windsor High Volleyball team was especially young this year, but for such a young team it was a good year. The team worked on attitude, enthusiasm, and excitement. The new coach said, "I think the girls I coached this year will always be a little **extra** special." The team only had two seniors this year, they were Sandy Schlagel and Debbie Woodward. These two seniors were the team leaders. Another extra special girl was Renae Koehler because she was selected to the All Northern Team for her consistency in spiking. The worse thing about the year was that the girls only won five games.

THREE ACHIEVE IRON MAN STATUS

Under the guidance of Mr. Burke the Windsor Iron Man Club has shown growing popularity over the years. In 1982 three students achieved Iron Man status, which was a school record. They were Mike Driver, Carl Barnett and Paul Sheltinga. As a result of months of hard work and dedication they built themselves up to the point where they could achieve this award. Numerous other students benefited from this fitness and bodybuilding program during the year.

SWIMMERS RANK 3RD IN WELCO LEAGUE

The girls swimming team had a very good year with a record of 5-2. The two losses came from Eaton and Valley which ranked first and second in the Welco League with Windsor taking third and ranking fourth in the state AA. Mrs. Kemp felt that overall it was a successful season and that all the girls worked together, with Betsy Meyers breaking the 100-yard Breaststroke record. There were four Seniors, two Juniors, two Sophomores, and four Freshmen. "The loss of the Seniors next year will hurt," said Mrs. Kemp, "but the Freshmen next year seem promising."

The team had one diver, Roberta Olsen. The team also had two Freshmen letter. Although they lost to Eaton, Mrs. Kemp said the times of all the girls improved between eight and ten seconds.

Susan Schmidt shows her excellent backstroke form.

Front: Doug Thoutt, Marcus Cruz, Alex Medina, Patrick Dahlan, Greg Pearson, Middle: Mike Romero, Kevin Rich, Steve Hergert, Tracy Oschner, Back: Coach Harsin, Beth Kimberling, Jodell Thoutt, and Jayna Despain.

"The team didn't have the depth that it had years past because of so few underclassmen coming out this year," said Coach Harsin. The team usually won more races, but this year they won once and came in second four times; however, one great thing is that the Wizards had beaten all their opponents at least once during the season.

The number one runner was Greg Pearson. He was backed up by Marcus Cruz and Doug Thoutt, who lettered for the fourth time this year. Other varsity runners this season were Beth Kimberling, Kevin Rich, and Jodell Thoutt. The other cross country participants were very significant. The improvement of these runners forced all the other participants to work harder, which made the season profitable.

The 1981-1982 Boys Varsity Swimming season Captained by Seniors Tony Bates and Lance Carmack, proved to be a very positive experience. One of the largest teams in the history of Windsor swimming, found 1981-1982 to be a building year with a number of inexperienced Freshmen and one Sophomore competing for the first year. Junior Mike Shreve swam to the front and became the leading point getter for the year while establishing a new school record in the 200 Yd. I.M. with a time of 2:22.935. Mike also placed fifth overall in the Windsor Pentathlon. These boys improved their times by 10 seconds; Monte Carmack, Mike Romero, Robbie Taylor, Kyle Gabriel, Carl Barnett, Tracy Huntzinger, Jim Sinley. In the physical fitness department Marty Gamble established a new team Bench Press record of 223 1/2 pounds - with three repetitions. These were the Lettermen of this year; Tony Bates, Lance Carmack - Seniors, Juniors were; Charles Clarke, Chris Cummings, Steve Munsterman, Mike Shreve, Chieu Tran, Robert Upton, Jelle Zandeveld. The team voted Mike Hergenreder as the Most Valuable Player and was also the leader in assists. Derek Yancey was voted "Mr. Attitude" and Jay Deibel was voted the "Most Improved Player."

Beating the South Division Champions, Weld Central, 41-40, and beating Platte Valley, who took second place in the tournament, 57-50 were two highlights of the year. However a real low was losing to Eaton, 49-51 in overtime.

The basketball team had an overall winning season this year. We will have three returning lettermen to bolster the line-up next season.

The disappointments of the season were losing by one point more than one time during the season. Coach Parra commented "We had the best group of freshmen ever to come up in the High School. It has also been ten years since Windsor has qualified four wrestlers for State."

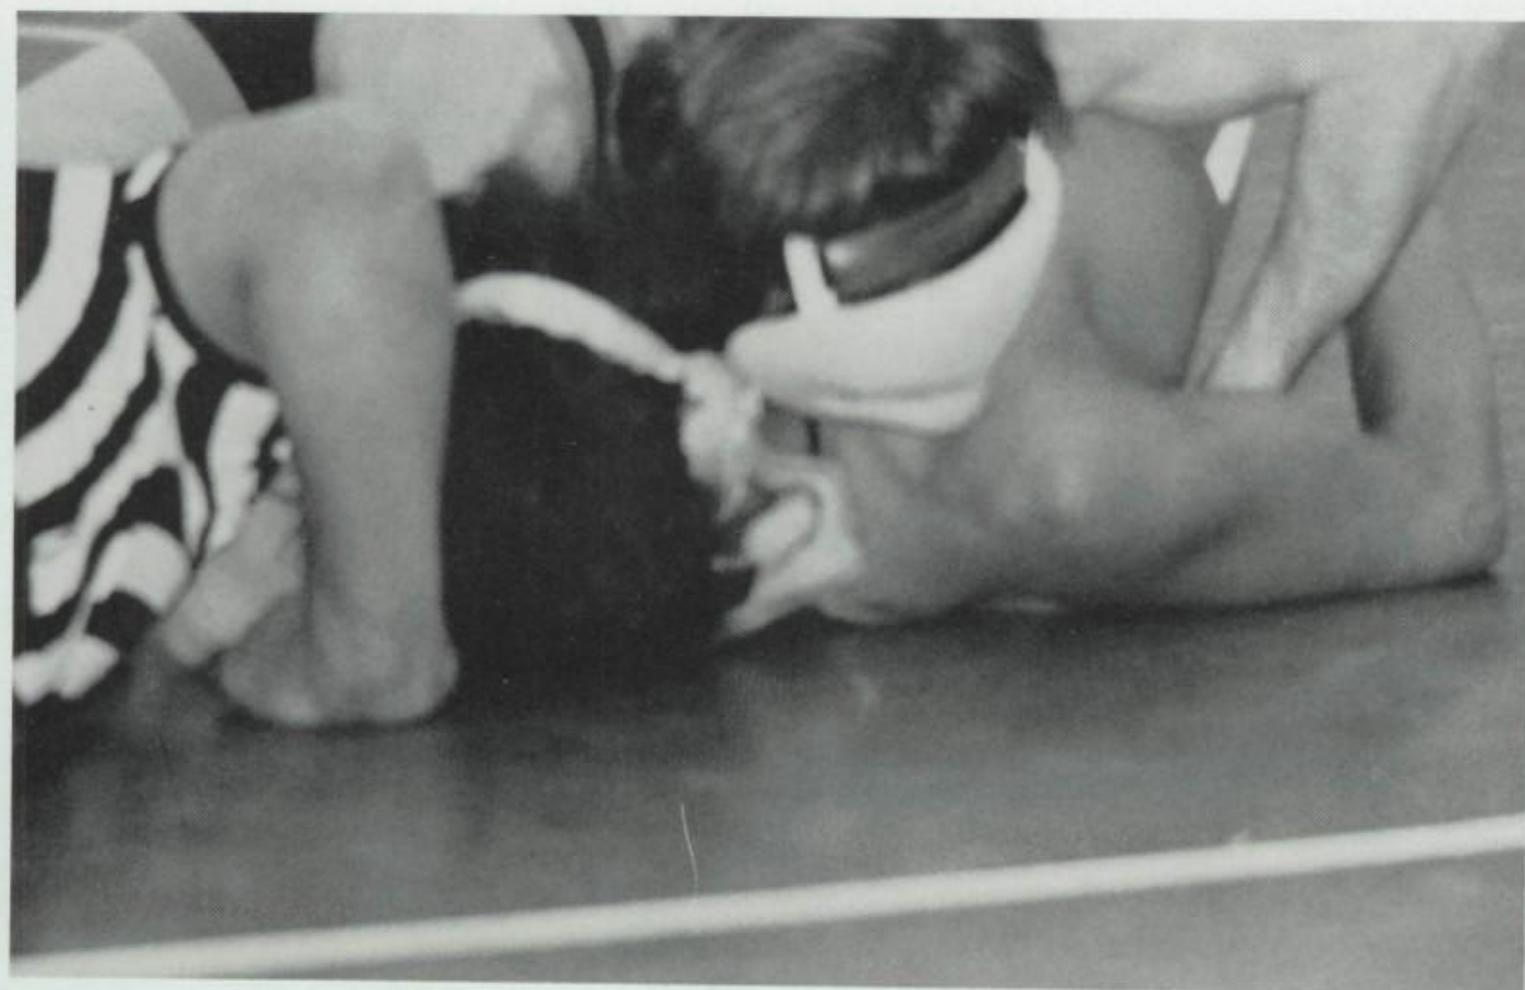

The four guys that went to State were John Amos, Tom Buxmann, Travis Dopler, and Mike Muttel. Coach Parra also commented "They did the best and as much as they were qualified to do and even more."

FIVE NEW SCHOOL RECORDS SET THIS YEAR IN GIRLS' TRACK

This years girls' track team had a good year for a young team. This was due to so many hard workers. A few of these people were Jayna Despain, Jodell Thoutt, Beth Kimberling, and Karen Heinkel. These girls led to many dedicated practices and many new school records. The 1600 meter relay team (Renae Koehler, Jolene Koehler, Alice Hinijosa, and Jodell Thoutt) set a new record of 4:17.67. Jodell Thoutt set a new record in the 800 meter run with a time of 2:24.38. The 3200 meter run received a new school record of 12:38, set by Beth Kimberling. Stephanie Lundquist set a new field events record in the discus. She threw it 119' 5". Charlene Stromberger also set a new record in the shot put with a distance of 35' 1". All of these records were achieved at or before the state meet, where almost everyone hit their best times or distances. Miss Barsch said "Our team was very young! Each person in every relay is coming back this coming year and we have started from the ground up to build a good team with good attitudes and good habits. The future looks **very** bright."

The boys's track team, this 1982 season, averaged 3rd place out of the nine meets (not including state). The tracksters placed 1st and 3rd three times and 2nd once. The team had some great senior leaders this year. They were Mike Scheid, Tony Benson, Rick Smith, and Derek Yancey. Mike Scheid was the team's leading scorer. Rick Smith qualified for state all four years in shot and Tony Benson qualified for three years in discus. Although we will lose these participants, we will come back with our depth. "Next year we have at least one returning letterman at every position," said Coach Harsin. Such people are Greg Pearson, Kevin Rich, and Brian Jimenez. Next year should be an excellent year for the track team.

"Now you will go over 50 feet" Rick repeats to the shot.

The Wizard baseball team had a growing season, highlighted by teamwork and some strong individual efforts. Coach Nicholl directed his young squad to a 6-6 season mark in the tough North Division as the Wizards went 7-9 overall. But improvement was the most noticeable aspect of the Wizards play, as they managed to dump tough Fort Lupton along the way and close the season with a double header drubbing of Roosevelt.

Late inning rallies were the trademark of the team and the opposition was never safe in thinking the Wizards were out of it.

Throughout the season the Wizards were led at the plate and on the mound by junior Jeff Hackleman. Mike Hartman was consistent at the plate and Randy Hall and Kevin Brungardt added extra power to the lineup. But overall it was teamwork that allowed the Wizards to have a rewarding season. Coach Nicholl is surely looking forward to next season.

CHEERLEADING A TOTAL COMMITMENT

Fall cheerleaders were: Bottom-Mary Brown, Rhonda Roth, and Alice Fisher. Middle-Daphne Holter, Polly Lind, and Sherri Steinbecker. Top-Nona Tobey. Not pictured- Suzy Gersic.

Cheerleading isn't as easy as it may sound. There is a lot of work, and effort involved.

It all starts in the spring when the girls decide to try out for cheerleader. They practice for a couple of weeks before the big day of tryouts with the girls who have been cheerleaders before helping newcomers. They not only practice cheers, but also, jumps, kicks, gymnastics, and even yelling. After the nerve-wracking tryouts the girls must wait approximately a week before they find out who made it. The first few meetings the new cheerleaders get together and choose their uniforms. Summer may be a break from school, but it isn't a break from practicing for the new cheerleaders. They meet a couple of times a week during the summer to work on getting together and looking good. School starts again, and the girls continue to practice, preparing for their first pep assembly and game. The first game is terrifying; it's where the girls really have to put their practice and talent to the test in front of what seems to be the whole world. They're kept busy all year, not only with cheering, but there's still practice, posters are made, pep assemblies are planned, goodies are baked for the players, and much, much more.

Cheerleaders don't have it too easy sometimes. They have to take a lot of criticism and appreciation for their work is not shown sometimes. It's rough, but it's also a lot of fun. The cheerleaders this year did a good job and deserve a hand for all they've done!

ANNUAL STAFF

Annual Staff is a class that plans and puts together the school annual every year. At the beginning of the year the students in annual staff go to a workshop at C.S.U. for tips and information on how to make a good yearbook for their school.

The annual staff class has worked very hard this last year to make the best annual yet. Drawing layouts and writing copy for the pages in the annual is difficult, but fun and interesting work. With the help of the instructor, the students in annual staff did their best to make this years annual its best.

CHOIR

All three choirs started out the year with a money making project. They sold maroon and gold seat cushions at the football games.

Their concerts this year consisted of the Fall Pops, Christmas concert, and Jazz concert in the spring. The choirs have performed other places throughout the year also. Hopes for next year are high and positive for new goals.

SPECIAL AWARDS

The Windsor High School Band has played many types of music during the year. Many of the band's selections are by modern composers. During the year, the band held many fund raising events such as selling candles, fruit, and candy. The main event was the variety show which included bands, dance acts, and skits performed by band members themselves.

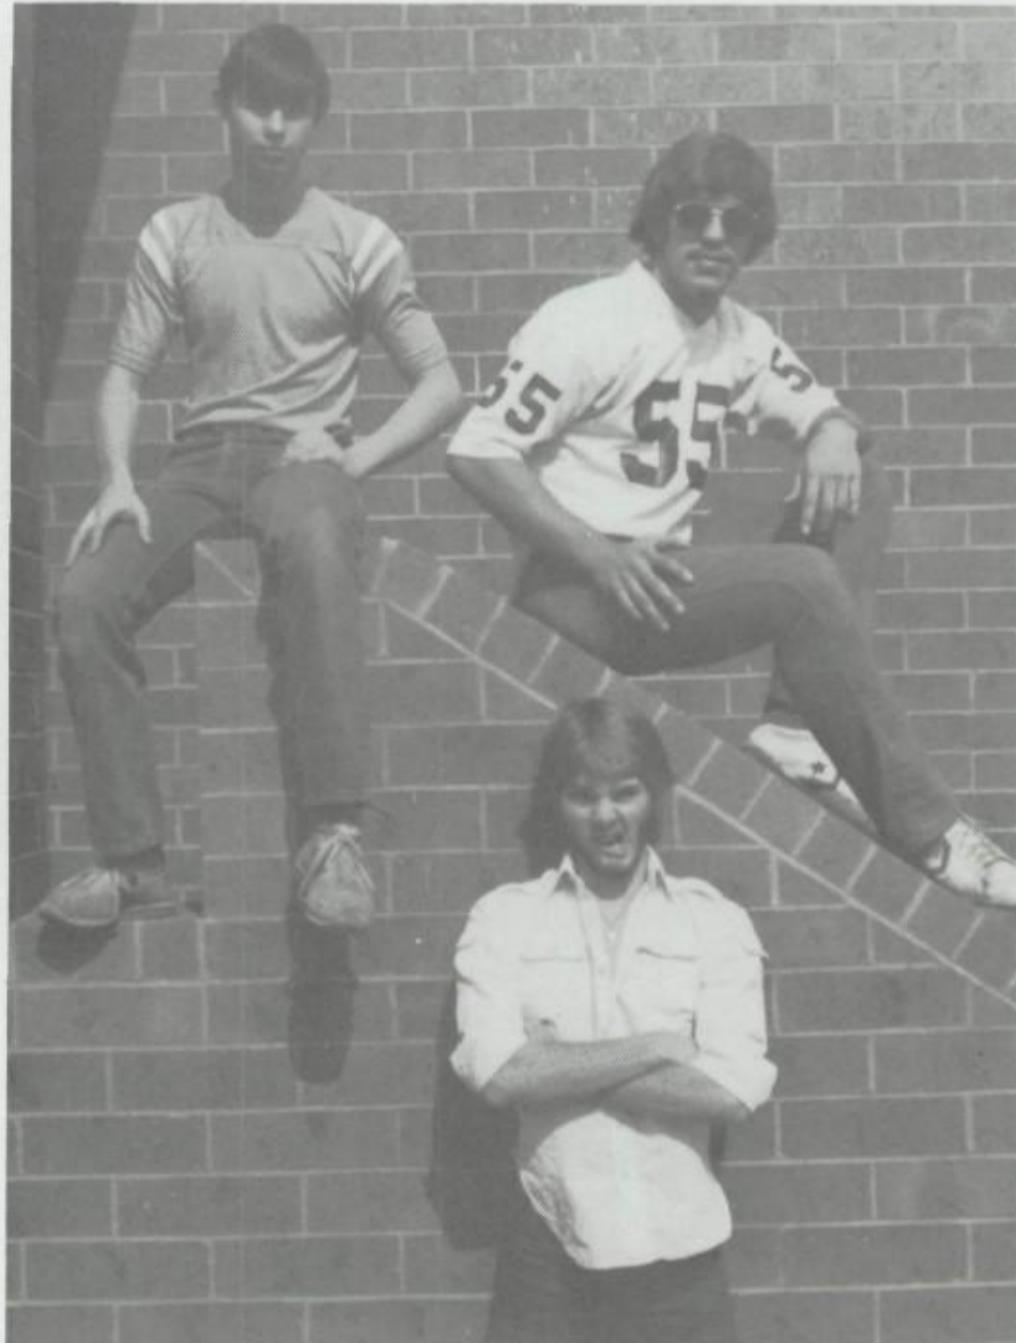

The band also includes the stage band, which also plays contemporary music. The band was very fortunate to have won many awards in marching and field shows. It was stationary this year because it is planning to go to Calgery, Canada.

THESPIAN SOCIETY

The Thespian Society is a prestigious, worldwide society for dramatically inclined people. A student must participate in at least two dramatic events, earn ten points (a starring role earns eight points), and pay an entry fee. The local 3106 will be more active next year since membership has increased. They will be promoting drama in the lower educational levels through workshops, dramatic presentations, etc. This years members included: Bill Moxon, Boyce Bennett, Tony Benson, Jana Rumsby, Steve Hergert, Sharon Middleton, Glenn Willis, Christine Scherbyn, Mike Fisk, Helmi Shepard, Gene Mandell and Lisa Perry.

LIPS

The production of 'Tea House of the August Moon' was the major project of the LIPS (Literary Interpreting and Performing Society) Club this year. The activities the club attended this year were 'Evita', 'Mame', and 'Our Town'. The members are initiated into the club in the fall. The following items must be completed to get into the club: 1. Prepare and present a five minutes performance at the club tryouts,

which are voted on by club members, and 2. attend the club initiation in an assigned costume. To maintain LIPS membership, you must 1. Be active in speech and/or drama during both semesters of the year, and 2. work for at least five hours (beyond acting) to make the fall play a success. Each year the WHS LIPS Club continues to grow. This years' sponsors were Mr. Denzin and Mr. Zscheile.

FORENSICS= COMPETITION

Members of Forensics from l to r: Gene Mandel, Robert Upton, Wayne Williams, Tony Benson, Sandy Schlagel, Bill Moxon, and Lisa Perry.

Forensics is a competitive speech team. In competitive speech such things as humorous interpretation, poetic literature, dramatic interpretation, original oratory, extemporaneous speaking, duet acting, and Lincoln-Douglas Debates, are learned. The team practices their speeches at speech meets, lots of times competing against AAA and AAAA schools. This year the team placed 2nd in Welco, and had five persons go to state. They included: Wayne Williams-Original Oratory; Boyce Bennett- Humorous Interpretation; Bill Moxon-Humorous Interpretation; Eugene Mandel-Poetic Interpretation; and Sandy Schlagel-Lincoln- Douglas Debate. Wayne placed fourth at state while Boyce took fifth. This year the team competed with many different schools and even though the speech team is small, they have great potentiality that larger schools lack. Mr. Pete Denzin, this years sponsor, was very proud and excited about this years results, and hopes to do even better in the future.

FBLA

FBLA members watch a fashion show at the Fall Leadership Conference

FBLA is a vocational organization that is an extension of classroom business. FBLA emphasizes the areas of leadership, service, social and instructional activities. These skills are practiced and performed at various competitions such as the Fall Leadership Conference, District Leadership Conference, and the State Leadership Conference at the Broadmoore in Colorado Springs. To raise funds this year the FBLA sponsored the Christmas Cotillion, participated in the March of Dimes Campaign, sold Val-O-Grams and Tom Watt products. This year's officers were: President-Jana Rumsby; Vice President-Polly Lind; Secretary-Sherri Steinbecker; Treasurer-Mary Brown; Reporter-Laura Trettenero; and Historian-Charles Clarke. FBLA brings members experience from inside the school and also from the business world.

The journalism class this year had great fun. Mrs. Lindblad the director coached 13 students throughout the year in writing editorials, features, and news stories. The **Wizard World** was put out every two weeks, and the class members were constantly busy writing and typing stories for the next issue of **Wizard World**.

The **Wizard World** also published any signed editorials that the student body would write. Many students liked this idea because they could express their opinions. One of the first editorials that caused conflict was written by Kurt Reeves about cruising. Kurt was answered with several editorials from students at WHS. But during the year the staff had fun.

This was Mrs. Lindblad's last year as a teacher at WHS, so the school will have a different journalism teacher but there will be some returning journalists to help with next years editions of the **Wizard World**.

IRC EXCHANGES POLITICAL IDEAS

This spring the International Relations Club (I.R.C.) traveled to Greeley to represent Windsor at the U.N.C. Model United Nations (U.N.). It was quite a productive interchange of political ideas. The principal topics this year were the United Nation's control of nuclear weapons and the United Nation's interventions to preserve world peace. Mr. Campbell summarized the productive nature of the U.N. as follows, "The delegates worked hard researching their political positions and policies of their respective countries."

Quill and Scroll is an honorary journalism club for journalism and annual staff students. These students are chosen in the beginning of fourth quarter, by their instructor. These students are chosen on the basis of skill, workmanship, and helpfulness toward others. These people must also be a Junior (at least) and must be in the top third of their class. This year's old members, Sylvia Marteniz, and Carol Winder, initiated the new members during a week of crazy antics. The traditional slave day was tops on the list followed by crawling day, wearing a paper sack, wearing paper clothes, and dressing up. The formal initiation was a candlelight ceremony with Mrs. Lindblad and Mr. Brunner, along with the old members, presenting pins and cards to the new members. The new initiates for this year were Debbie Woodward, Glenn Allyn Willis, Robin Amos, Nona Tobey, and Jill Schneider. Quill and Scroll was established in the 1920's and has been in Windsor Schools since 1959.

STUDENT COUNCIL

The student Council for 1981-82 tried their best to survey student wants and needs. These representatives were instrumental in many phases of school life, such as organizing the Homecoming ceremonies, parade and dance, all of which were well received by the student body. Early in the year Mr. Parker and the council traveled to Ft. Collins and attended a leadership conference got ideas on motivation and problem solving which they brought back to the Windsor campus.

In the community Student Council participated in community service clubs, learned about child abuse intervention, and held a fund raising car wash. Overall it was a busy and rewarding year for Student Council. The officers were President; Beth Kimberling, Vice President; Karen Heinkle, Secretary; Terri Rinniger, Treasurer; Stephanie Lundquist, and Reporter; Darlene Johnson.

TEA HOUSE OF THE AUGUST MOON

Tea House of the August Moon was sponsored once again by the LIPS Club this year. The play was presented on November 6 and 7 in the W.H.S. Auditorium.

The setting was in a small village named Tabiki, on the island of Okinawa, near Japan. Captain Fisby is assigned to try to civilize this island after the war. But instead of building the ordered school house, he ends up building the Tea House of the August Moon.

The characters were as follows: Sankini-Mike Muttel; Sergeant Gregovich-Lisa Perry; Colonel Purdy-Boyce Bennet; Captain Fisby-Bill Moxon; Old Woman-Trilby Huntzinger; Daughter-Helmi Shepard; Child-Brook Zscheile; Mr. Omura-Mike Fisk; Mr. Sumata-Tony Benson; Tanakah-Steve Hergert; Miss Higa Jiga-Jana Rumsby; Mr. Oshira-Gene Mandell; Lotus Blossum-Chris Scherbyn; and Doc McLean-Tony Benson, Mr. Keora-Charles Clark; and Mr. Hokaida-Glenn Willis.

This play was directed by Mr. Kurt Zscheile, who was assisted by Miss Kathy Mainey. He chose this play because it was fun and challenging. He was especially proud because the cast put on such a terrific performance.

The entire cast and the directors owe a special thanks to Miss Ayako Ishiwata, this years Japanese exchange student, for helping the cast to learn some of the language of her native country.

CHRISTMAS COTILLION . . .

Future Business leaders of America sponsored the Christmas Cotillion this year. They decorated the commons, and they employed Colorado Light and Sound for the entertainment. Also, students were honored for their scholastic abilities, character, and service to our school. Teachers nominated four students from each class, then they voted for one male and one female attendant from each class. Travis Dopler and Beth Kimberling were this year's Christmas Squire and Queen. The junior attendants were Teri Rininger and Steve Hergert; sophomores were Wes Martin and Jo Dell Thoutt; and freshmen were Shawn Lear and Jill Weber.

PROM 1982

Who are you looking for Mr. Adams?

The class of 1982 was presented with an unforgettable prom. The dance was held at the Greeley Elks Club on April 17. The students and faculty danced to music played by 2nd Wind. The class moto was cut of white paper, outlined with glitter, and put up on the wall for all to see. Even though there were many conflicts about the location of the dance, the junior class did a great job and spent much time in preparing to make a memorable 1982 Junior-Senior Prom.

KEEP PUSHING ON

Beth Kimberling delivers the salutatory address.

The class of 1982 completed their public school education at H.S. Dudley Stadium on May 21. Clad in maroon and gold the members of the class entered the stadium as Windsor High School students for the last time. After the WHS band finished the processional and the 92 seniors were introduced by Superintendent Jack Hale, the audience listened to the introductory salutatory address by Beth Kimberling. This was followed by the inspirational valedictory message of Cathy Kressler. The show choir then sang selections from "Fame" and "Pippin" as Miss Tkach directed. The recessional concluded the event on a note of sadness mixed with joy as the class of 1982 departed with many things to look forward to and memories of their high school days passed.
